There is plenty of space for advertising banners or signs on the Western Express Railroad trackless train. This incredible advertising opportunity is being offered to local businesses and groups. This high visibility attraction will be part of the Gay 90s parade in the morning and then will be available to transport people between different locations throughout town until about 5 pm. Your business will get great exposure and your advertisement will help offset the expense of having Western Express Railroad available for Coquille's biggest event of the year.

If you choose to participate in this advertising opportunity, you will need to provide: **Your logo on a Corrugated Plastic Sign or Vinyl Banners with grommet on each corner or as needed on 66" signs.**
